racing class*

*for WC2008, classes will be as follows:

- Unfaired** No fairing, other than wheel discs.
- Part-faired** As Unfaired, with the addition of *either* front *or* rear fairing. Viewed from the side, the rider's torso, head and upper leg must be visible. A tail fairing may extend forward no further than the mid line of the rider's torso. Anything made from clear plastic will be counted as opaque for the purposes of class distinction!
- Faired** All machines which are not Unfaired or Part-faired.
- Unfaired Multitrack** As Unfaired *or* Part-faired, but with three or more wheels in two or more tracks. All wheels must be structural - a bicycle with lifting or flexible 'stabilisers' is not considered Multitrack.
- Arm-powered** Powered by arms alone.

You may ride more than one machine, in more than one class... but if you intend to do so, please let us know when signing on at the event
